

Visa Requirements for Jamaica

Thank you for your interest in the first Caribbean Regional ITS Conference. Please note the following conditions to be satisfied for entry into Jamaica:

No Visa Required for:

U. S. Citizens

All visitors including cruise passengers must present a valid passport. **No visa** is required to enter Jamaica.

Together with such other documents which will establish where you will be staying in Jamaica to the satisfaction of the Immigration Officer.

E.U. Members

All visitors must present a valid passport along with any other documents which will establish where you will be staying in Jamaica to the satisfaction of the Immigration Officer.

A visa may be issued at the port of entry.

Canadian Citizens

Canadian Residents are required to have a valid passport or a passport which has expired for a period which does not exceed one year and maybe required to have a permanent resident card where applicable.

All visitors, 16 years and older, must present a valid passport (or a passport that has expired for a period not exceeding one year provided that Canadian immigration will re-admit such person on the expired passport) or a "Statement of Live Birth" certificate with valid government issued photo ID.
